Sky:line
from s:line

Sky:line

is an ideal expansion of your desking configuration enhancing your office visually and functionally.

Designed around the concept that each user has different storage needs, the refined exterior opens up to allow all your individual items to remain in close proximity to your workspace.

Sky:line allows your laptop and personal storage items to be locked away securely, maintaining a tidy and organised desk area

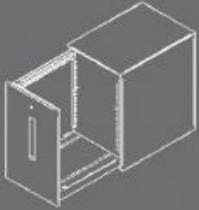

The variety of additional options within the range allows Sky:line to adapt to your specification
