* All colours shown in this portfolio are standard on s:line products, with no surcharge.

Colours

All Silverline products are coated in a textured epoxy/polyester powder coating over a phosphate pre-treatment; this is then baked to give a strong durable finish.

Please note: These colours are intended as a guide only and are as accurate as printing processes allow.
For accurate colour samples, please contact a member of our Sales Office or email - enquiries@silverline-oe.com
